

St. Joseph's Church
Announced Masses for 2011

DO NOT RETURN BEFORE THURSDAY, JULY 29TH

Please list your Mass requests for the year 2011. Masses requested in the wills of the deceased parishioners are honored first. It is required by Canon (Church) Law that one Mass per week should be offered for all the deceased and living members of Saint Joseph's Parish.

Please limit the requests to **SIX** Masses. If you have specific dates and times we will try to honor them as best we can. You may mail or bring this form, but not before July 29th, to the Rectory in an envelope marked "Year 2011 Masses". If hand-delivered, put the date on the envelope. Requests will be entered in the order received. If the date and time you requested are not available, attempts will be made to schedule the Mass as close as possible to your requested date. The offering for an announced Mass is \$15.00. An acknowledgement of your Mass requests will be mailed to you the week of August 26th. If you need a Mass changed, please come to the Rectory Office or call 337-1660.
