Slaying Giants – Preparing for Greatness Chris Padgett

Chris Padgett is a successful singer and songwriter, a sought-after speaker at diocesan events around the country, a published author, and a passionate scholar. In this exciting talk, Chris shows how each of us are called to change the world, to defeat giants, and to run the race in a manner so that we'll win. His words will inspire you not to let fear paralyze your heart, because you are not in this alone.

"It's like he knows me and is talking directly to me! All too often I think I am nothing with no special gift or talent. How refreshing it was to hear that God chose me to be right here, right now for great things!" Theresa - Rock Hill, SC

"Being almost 30, this talk inspired me to further my focus in education. I found myself just stopping what I was doing, listening and really hearing truths that have really touched my heart and soul." Liz - Hilmar, CA

"Just what I needed to hear! This talk inspires us to put our trust in God, and to face the Goliaths that cause us to fear and despair." Karl - DeKalb, IL
